Dear Sir,

Community Projects:- Post of an additional Asst Engineer- Sanctioned -

Ref:- 1. G.O.Ms.No.1208 Public Dept. dated 27-7-54
2. Confdl. letter No.25319-A4/54-5 dated 23-8-1954 of the Chief Engineer (H) to the Secretary to Govt. Public (C.D.P) Dept. Madras.

2

It is seen from the letter cited above that Sri Ramamohan Nayak, Junior Engineer (H) posted as Junior Engineer to this Community Project area is being appointed to act temporarily as Asst. Engineer (H) and that his services are not available for Project works. Sri Rama Mohan Nayak has been working as Junior Engineer (H) Karkal within the Project area and his services will be very useful as Asst Engineer (C.P) in this Community Project area. As the Chief Engineer (H) has not yet posted the Addl. Asst. Engineer for Community Project works sanctioned in the G.O. cited (1) above, I request that he may be requested to appoint Sri V. Rama Mohan Nayak as Addl. Asst. Engineer (C.P) for this area, unless his services are indispensable for the Highways Department.

Yours sincerely

H Narasimha

Please see KPEO no and DCP's orders at p.1. above. Proposals have already been received from the C.E for appointing Sri K. Krishnan Nayar, Asstt. Engineer (Highways) as Addl. Asstt. Engineer (C.P) and he can be put up to D.S (RP[redacted]) on 12.8.84 It does not therefore appear that any action is called for on the request of KPEO at p.1 above. For order

Gr. I S.No. 1345 Public(RDP) dated 14-8-54

The papers referred to at 'A' on p2 ante, are put up at (Y)

Orders appointing Sri K. Krishnan Nair, Assistant Engineer, (Highways), as additional Assistant Engineer, Community Projects, Mangalore, have already been issued in G.O.Ms.No 1345 Public(RDP) dated 14-8-54. It does not, therefore, seem necessary to consider the request of the P.E.O, Mangalore, at 'A' of his letter at p1 c.f. DCP's ~~recommendation~~ on p1 c.f. in this connection.

Sri K. Krishnan Nair, being a permanent Assistant Engineer (Highways), will be able to turn out ~~the~~ work by exercising proper control over his subordinates than Sri V. Ramanthan Nayak, Junior Engineer, who had just been promoted as Assistant Engineer, (Highways), ~~only recently~~. The orders issued in G.O.Ms.No 1345 Public(RDP) dated 14-8-54, may still hold good. No action need be taken on 'A' at p1 c.f. May be lodged and added to the papers at (Y).

The draft order below may be perused and the file returned to Pub(R.D.P.)Dept.

It may be pointed out, in this connection that the C.E(H) is competent to transfer Assistant Engineers within the State. It is not known why Govt. should order the postings of Assistant Engineers to Community Project area. Perhaps Pub(R.D.P.) may be requested to examine the question whether in future cases the C.E(H) may be asked to post a suitable ~~candidate~~ Assistant Engineer(H) for the Community Project area also.

Consider Pub(R.D.P) proper to approve his personnel proposal. If so there is no objection to issue posting orders in such cases.
